

# December update

## *Victorian fellowship*

Dear Fellow AA and Home Group

It has been 11 years since Victoria last hosted the Australian Convention, and in 2012 it will be our privilege to welcome our fellow AAs and Al-Anons from across Australia and overseas, and show them some wonderful Victorian fellowship and recovery. The host planning committee has been hard at work for nearly 2 years already but there's still so much more to do to ensure that the 1,500 attendees have a memorable experience

Lots of other information can be found on our website, and if you have any questions or suggestions, we would love to hear from you.
