

The revised 60/30/10 Sheet – what is all that?

You may have noticed the 60/30/10 Sheet looks a little different this month. This is because there are now two more columns in each side. They are in italics.

After the “Name of group” and “Area” columns the headings are:

“Donation”: this is your donations to be split 60/30/10 or as you specify;

“*Direct*”: this is all donations you tell us to keep for office use;

“60”, “30”, “10”: these are the “Donation” split up into percentages;

“Donation Total”: this is the total amount of donation for the current financial year;

“*Direct total*”: this is the total *direct* to the office for the financial year.

Now you can see *all* the money your group is donating over the year.
